## **NUI CERTIFICATE: VISUAL ART PRACTICE (VAP) Level 7**

Application opening: Monday 02nd July, 2018  
Application deadline: Thursday 06th September, 2018  
Portfolio: Not Required  
Course duration: 1 - 3 years  
NFQL7

The Certificate in Visual Art Practice is one of a number of accredited courses available to mature students seeking flexible quality learning opportunities at NCAD. The course contains multiple modules offering choice to students, who can construct a sequential programme of learning from a multi-disciplinary modular framework. Each module takes place on one evening per week throughout the academic year. Students are required to complete four modules altogether, three studio practice modules in art and design and one module in visual culture. Successful completion of four modules over one to three years part-time will result in students being awarded a Certificate in VAP (Visual Arts Practice).

This course is a minor award within the National Framework of Qualifications (NFQ) and carries 20 ects. Students who wish to progress and further develop their knowledge and skills in art and design are eligible to apply to the part-time CEAD part time Diploma course at NCAD or to undergraduate courses in art and design in other art colleges.

The module focuses on themes within art history and visual culture art in the modern and post-modern era. The lecture programme provides an introduction to art and design history, it shows how modernity influenced visual culture and covers the development of new mediums such as lens based technology. Students also attend a seminar to discuss ideas and themes emerging from the lecture programme. Tutorial sessions on; preparing essays, researching sources, and using the library as a resource, forms part of the course. Students will be encouraged to visit museums and galleries as part of the course programme.

## **ASSESSMENT**

Assessment is formative and continuous; typically studio assessment takes place on the penultimate night of each semester. As part of the practical studio based modules, students will be required to submit their work for assessment at the end of the first semester and at the end of the course. Tutors will provide project briefs/exercises and project guidelines for students. Students are required to submit their work in accordance with the time-frame set out by the tutor. Tutors will provide students with formal and informal feedback on their progress following interim reviews/critiques. **For the Certificate VAP course, 80% of the programme marks are allocated to studio practice and 20% to visual culture.**

Students are required to keep a visual record of their progress using notebooks as well as developing project work and submit a body of work for display.

In order to successfully complete the learning outcomes for the programme students should submit a written essay of 2000 words for the module in visual culture. Students who submit written assignments late will be subject to a penalty. **Students are required to attend 80% of the course. Students are required to achieve the intended learning outcomes and pass each module, if they are to be awarded a Certificate and progress further.**
