Design Studio 2B (DES2-8)

Credits	10	Course	BA (Hons) Fashion Design BA (Hons) Jewellery and Metalwork BA (Hons) Product Design BA (Hons) Textile & Surface Design BA (Hons) Visual Communication
Level (NQAI Framework)	8	School	Design
Stage	2	Module Leader	Head of School
Semester	2	Module Coordinator	Angela O'Kelly, Conor Clarke, Sam Russell
		Module Delivery	School of Design Staff

This module enables you to develop the in-depth knowledge and skills appropriate to your chosen design discipline. You will work on a series of exercises and projects of differing timeframes and increasing complexity within a studio environment. You will be encouraged to develop an integrated iterative creative process that incorporates making, evaluating, presenting and reflecting.

This module aims to:

1. develop advanced creative methods, techniques and approaches
2. explore how practitioners personally conceptualise briefs
3. develop advanced materials and processes

What will I learn?

On successful completion of this module students will be able to:

- **PROJECT MANAGE:** Undertake self-directed studio practice using appropriate time management skills, including tutorial attendance, participation and timely project submission.
- **EXPLORE:** demonstrate the ability to initiate or respond to project briefs, and to explore concepts through a structured, transparent and increasingly personal methodology
- **DEVELOP:** select and apply appropriate material and conceptual development through a transparent iterative process of critical evaluation
- **RESOLVE:** resolve project outcomes through structured and transparent methodologies
