Eduroam on an iPhone/iPad Device (iOS)

Note: you must be connected to a data or wireless network to do these steps

- 1. Before you install the new Eduroam profile please remove the old NCAD eduroam profile if it exists by going to Settings>General>VPN & Device Management. Clicking on existing "eduroam" profile and Click "Remove Profile"
- 2. Open **Safari web browser** and go to <u>cat.eduroam.org</u>. (*Note: you must use the Safari web browser*)
- 3. Click "Click here to download your eduroam installer"

4. Search for National College of Art and Design and click on the result
