? PDF ▼ Prev Save as PDF Save as PostScri Fax PDF Mail PDF Save as Adobe P Save as PDF-X	riew pt 'DF		Cancel Print	

Open the file you are looking to convert to PDF in a word processing program. You then click print and you should get the above box. Click 'save as PDF'.

	Save			
Save As:	Document1			
Where:	Documents	\$		
Title:	Document1			
Author:	IT Support			
Subject:				
Keywords:				
	Security Options			
		Cancel	Save	

You should then get a box that looks like this one. Choose where you wish to save the file to and hit save.
